HOW TO GO ABOUT MAKING A CLAIM

Personal Accident Claims:

Questions relating specifically to PERSONAL ACCIDENT insurance

WHAT CONSTITUTES AN INJURY?

The policy covers bodily injury resulting from an accident. It does not cover sickness.

WHEN MUST A CLAIM BE REPORTED?

To ensure the claimant (player/official) is not prejudiced, any incident which may lead to a claim should be reported as soon as possible after the event. Claim forms should be completed and sent with medical certificates in accordance with the claims procedure.

WHAT IS THE EXCESS?

Non-Medicare Medical Expenses is subject to an excess of \$50.00 each claim if claimant has no Private Health Cover and \$20.00 each claim if claimant has Private Health Cover.

WHAT ABOUT THE GAP BETWEEN MEDICARE AND ACTUAL COSTS?

Medical expenses do not include any or part of any expenses for which a Medicare benefit is paid or is payable including the balance of monies due or payable by the Insured Person after deduction of any Medicare benefit or rebate from the actual expenses incurred (commonly known as the "Medicare Gap"). The reason for this is that General Insurance Companies are not permitted by law to insure benefits associated with Medicare.

This form must be completed and signed by: The Injured Person and

HOW TO GO ABOUT MAKING A CLAIM

Public and Products Liability Claims:

Questions relating specifically to LIABILITY insurance

Claims made against you by members of the general public for personal injury or damage to their property arising from the conduct of your business are regarded by Insurance Companies as extremely serious.

It is essential that **UNDER NO CIRCUMSTANCES** should any admission of liability or offer to pay an amount be given to the person concerned and that Lowe Lippmann Bott Pty Ltd be notified immediately to ensure that your interests are fully protected.

Most cases in this category require a full investigation which Lowe Lippmann Bott Pty Ltd will arrange. In order to assist this investigation, the names of any witnesses should be obtained and any broken or damaged equipment retained for examination.

In the event of an occurrence which may give rise to a claim please have an Incident Report Form completed and immediately faxed to : Lowe Lippmann Bott Pty Ltd; Attention Les Beattie; Facsimile Number (03) 9537 0800.

WHAT IS PUBLIC LIABILITY INSURANCE?

This is insurance indemnifying you against bodily injury and/or property damage claims made by third parties as a result of an accident occurring in connection with your business (as described in the policy schedule).

WHAT IS PRODUCTS LIABILITY INSURANCE?

As in public liability this policy covers you for bodily injury and/or property damage claims. However the claims must arise from goods sold, serviced or manufactured by you.

Note: In respect to the hirers of Club premises the Public and Products Liability section of the policy does cover the interests of your Club. Hirers however must have their own Public Liability policies. This would also apply to members if the function is not soccer related.

May we suggest you advise your hirers and insist they provide evidence of insurance.

WHAT IS PROFESSIONAL INDEMNITY?

This is insurance indemnifying you against claims made against you for wrongful advice or information which is provided in a professional capacity e.g. professional coaches.

WHAT IS DIRECTORS & OFFICERS INSURANCE?

This insurance policy will cover your directors and officers who are sued for a broad range of alleged wrongdoings including: Misrepresentations, Breach of Fiduciary Duty / Mismanagement, Unfair Trade Practices, Defamation, Breach of Contract.

WHAT IS INDEMNITY?

This term means that the insurance indemnifies (provides cover for) you against any loss or compensation for which you may be legally liable up to the amount stated in the schedule.

WHAT IS NEGLIGENCE?

Negligence is the failure to exercise the duty of care which we are bound to observe toward other persons. An action for negligence arises where a person suffers injury and/or damage as a consequence of a breach of that duty to take care.

WHAT IS MY LEGAL LIABILITY?

Legal liability arises where a court of law deems you have been liable in a particular circumstance. The insurance does not extend to circumstances in which you may only feel a moral obligation towards a third party.

DOES THIS PUBLIC LIABILITY INSURANCE COVER EMPLOYEES' INJURY?

No. All claims for employees' injuries are not covered and must be referred to the Victorian WorkCover Authority.
